

Want to power your home with clean and affordable solar energy?

**Mascoma Bank can help.**

**We're here to provide you with the financing to make that switch.**

#### Our Solar Loan Features

- Loans up to \$60,000 with interest-only payments for the first year.
- Interest rate varies with term and multiple loan terms available.
- Loan decisions made within 24 hours and distribution of funds often within 48 hours.
- Energy efficiency improvements completed during solar installation and listed on the sales contract can be consolidated in your solar loan.
- Payment amounts are subject to change after initial 12 months based on tax credits or other funds applied to principal.

#### Our Solar Loan Requirements

- Residence must be located in Vermont or New Hampshire
- Signed solar purchase and sales contract
- You must meet standard underwriting guidelines
- You are the owner of the residence
- Loans are for primary residences, second homes, or 1-4 family investment properties only
- Tax credits are not required to be applied to the loan

**Apply online at [Mascoma.Bank](https://www.mascomabank.com), contact your local branch, or reach out to Lindsay White (NMLS# 1937172) at (802) 451-0856 or [Lindsay.White@mascomabank.com](mailto:Lindsay.White@mascomabank.com).**

Subject to credit approval. Maximum loan amount may vary based on credit score.

All terms and rates are subject to change without notice.

V.H. Energy is a Vermont-based developer, manufacturer, and installer of solar systems.

Mascoma Bank is not affiliated with V.H. Energy and is not guaranteeing any business with them.
